

1st Knottingley Rainbows, Brownies and Guides

Guides

At the end of last half term we tried a few challenge badges including Sea Savers; making a pneumatic sea creature and decorating biscuits with sea creatures. and the Easter Challenge. We also made presents and a card for Mother's Day.

Next term we will be exploring the theme 'Know Yourself' so the Rainbows will be looking at family trees, the Brownies exploring local history and the Guides considering human rights.

A number of our girls achieved Bronze and Silver Awards and Hattie achieved her Gold Award; well done everyone.
